MICRO,SMALL AND MEDIUM ENTERPRISES
LOK SABHA

UNSTARRED QUESTION NO:2390
ANSWERED ON:01.08.2016
Performance of NSIC
Kaushik Shri Ramesh Chander;Mishra Shri Anoop

Will the Minister of MICRO,SMALL AND MEDIUM ENTERPRISES be pleased to state:

(a) whether the National Small Industries Corporation (NSIC) organizes special programme for skill development and self employment in the country;

(b) if so, the details thereof along with the trade generated by the NSIC during each of the last three years and the current year;

(c) whether the Government has established/proposes to establish business parks in various parts of the country and if so, the details thereof along with the targets fixed and achievements made with respect to establishment of such business parks, State/UT-wise.

(d) the estimated cost of these business parks and expenditure incurred thereon and the extent to which these parks have been successful in achieving their objectives, State/UT-wise; and

(e) whether the Government provides help to such business units for adopting energy efficient and environment friendly technologies and if so, the details thereof along with the steps taken in this regard, State/UT-wise?

Answer

MINISTER OF STATE IN THE MINISTRY OF
MICRO, SMALL AND MEDIUM ENTERPRISES
(SHRI HARIBHAI PARTIBHAI CHAUDHARY)

(a): Yes Madam, the National Small Industries Corporation (NSIC), a Central Public Sector Enterprises (CPSE) under Ministry of Micro, Small and Medium Enterprises (MSME), organizes programmes for skill development and self employment through its technical centres as well as centres associated under Public Private Partnership (PPP) mode in the country.

(b): NSIC is offering training in various trades like Computer Numeric Control (CNC) programming & Application, Electronic Computer Aided Design (ECAD), Computer Aided Design (CAD)/Computer Aided Manufacturing (CAM) , Unigraphics, CREO, Multimedia & 3D Animation, 3-Dimensional Printing, Quality Control, Refrigeration & Air-conditioning, Robotics, Programme Logic Control (PLC), Embedded Systems, Printed Circuit Board (PCB) Designing, Solar Photovoltaic Systems, Wireless Mobile Technology, Big Data and Hadoop, Android Development, Cloud computing, data acquisition using lab view etc., The number of trainees trained under various trades during last three years are as under:
<pre>
Year Number of Trainees trained
2013-14 106144
2014-15 113975
2015-16 125563
2016-17
(upto June, 2016) 8642
</pre>

(c)& (d): No Madam, Ministry of MSME has not established any business parks in the Country. However, NSIC, a Central Public Sector Enterprises (CPSE) under Ministry of MSME, has established one Business Park at Hyderabad, Telengana with a cost of Rs 28.73 crore.
The objective of setting up this park was to provide the entrepreneurs with built-up space for setting up of their offices alongwith facilities like exhibition space, conference hall, food court etc. under one roof and this park is successful in achieving its objective.
(e): Ministry of MSME implements various schemes/programmes for promoting and encouraging units to adopt energy efficient and environmental friendly technology. Major schemes include Credit Liked Capital Subsidy Scheme (CLCSS) to facilitate technology upgradation, Lean Manufacturing Programme for increasing productivity and Zero Effect Zero Defect (ZED).
